REFUNDS: Tuition is **nonrefundable** unless the class is cancelled by the ACE coordinator. If your child registers late, misses classes or withdraws before the end of the session, you are still obligated for the full fees for that session. **You are eligible for a prorated tuition refund or credit only if your child withdraws due to serious illness or injury, corroborated by a note from your doctor.** All refunds are subject to a $25 non-refundable program fee. Please be advised that refunds may take up to one month to process. If you wish to apply for a refund, please email your ACE coordinator.

FLEX ACCOUNTS: Receipts for dependent care documentation are available on request. Please Contact IPSF with parent name, child's name, address, phone number and location of ACE class attended. (949) 265 6408.

CLASS AGE LIMITS: In order to develop classes suitable for a particular age range, we specify age limits in the brochure. However, exceptions are possible since children display different levels of maturity and ability. Please email your ACE coordinator if your child is interested in a class but doesn't fit the printed age profile.

CLASS CONFIRMATIONS:
Class Confirmations will be confirmed as the online registration is completed for each individual student.

CLASS CANCELLATIONS:
We do our best to accommodate all students who sign up for ACE classes. In order to keep class fees as low as possible, we must set a minimum enrollment number for each class to cover the class expenses. If the minimum enrollment is not met, the ACE Program reserves the right to cancel the class and return all registration fees. You will be notified of any cancellations before the first scheduled day of class.

TRANSPORTATION: Getting students to and from class is the responsibility of parents. In the first week of classes, ACE site monitors will attempt to locate registered students who are not present in their class. After that week, however, we expect that the students will know where they should go. If your child has difficulty remembering to go to class, you might want to escort him/her or contact another child in the class so your child has a "buddy" to provide a reminder about class.

ACE students must be picked up immediately after class.
Arranging pick up is the responsibility of parents. The school staff, ACE instructors and ACE volunteer site monitors are not responsible for your child after class. After class dismissal there will be a five minute grace period for pick-up. After that a $1 per minute charge will be applied.

SNACKS: Your child is always welcome to bring a personal snack. The program brochure will note if snacks are provided. Please contact your ACE coordinator immediately if your child has severe food allergies.

CONTINUING CLASSES:
Unless noted otherwise in the brochure, students in continuing classes must submit a registration form and payment for each session.

CONDUCT: Normal classroom conduct is expected of all ACE students and we generally have very few problems with the behavior of our students. Children displaying unacceptable behavior will be issued a one-time "Behavior Citation". If a second citation is necessary, the child will have to speak to the school principal and may be dismissed without refund.

SCHOLARSHIPS: A limited number of scholarships are available for all classes, based upon need. Evaluation criteria include eligibility for free and reduced lunch and referrals from school staff. Parents may apply for a scholarship covering up to one-half of the tuition fee. Please contact the front office for an application form or email your ACE coordinator.

PROGRAM SPONSORSHIP:
Irvine Public Schools Foundation (IPSF) sponsors the district-wide ACE program in cooperation with the Irvine Unified School District. For further information about the ACE program at other schools, please call IPSF at (949) 263 8340.

Academic Chess

Perfect for students of all levels. An experienced chess master teaches chess concepts in a fun and exciting way to help your child develop critical thinking and memory skills, confidence, sportsmanship, patience, and problem solving ability. There will be a lesson and a chance to play and practice against other students in each class. All students receive an Academic Chess workbook and have the opportunity to win prizes in a chess tournament.

Clay Time

Students work with clay to create projects of their own choice. They learn different hand building techniques, such as coiling, slab building, and how to make pinch pots. Projects are then fired and returned to the students for glazing. After glazing, the projects are fired again and thereafter students take their wonderful pieces home.
This class focuses on building a child's self-esteem and confidence. At CLAYTIME, we believe that "with clay, every child is successful." A lump of clay has no purpose, or shape, until it is placed in a student's hands. Then it is transformed into a work of art!
