WHAT IS THE ACE PROGRAM AND WHAT ARE THE ACE CLASSES?

The ACE Program (Afterschool Classroom Enrichment) is a program sponsored by IPSF (Irvine Public Schools Foundation) in cooperation with the Irvine Unified School District. IPSF selects contractors who teach all sorts of classes from sports to academics to arts and, through volunteers at each school, offers these classes after regular school hours for nominal fees. There are classes for all ages and most last for one hour, once a week after school.

On-Site Supervisors Wanted!

Volunteer and receive discounts.

We need your help! Would you be willing to help supervise ACE classes about 1 hour per week?

The work is easy - taking roll, making sure all children are accounted for, assisting where necessary, and seeing that all children are picked up after classes.

Volunteers who supervise are granted discounted tuition.

Register ONLINE at www.acewise.org (see instructions on page 1 of brochure.

Registration starts on January 18th. Hurry up we have limited spots!

Enrollment is subject to class availability. If we have space in classes after the registration period, we will accept additional students. Irvine students are eligible to attend ACE classes at any ACE school, space permitting.

Refunds: Once classes have begun, tuition is generally not refundable. If your child registers late, misses classes or withdraws before the end of the session, you are still obligated for the full fees for that session. You are eligible for a prorated tuition refund or credit only if your child withdraws due to serious illness or injury, corroborated by a note from your doctor. All refunds are subject to a \$30 non-refundable program fee. Please be advised that refunds may take up to one month to process. If you wish to apply for a refund, please contact your school site coordinator.

Class Age Limits: In order to develop classes suitable for a particular age range, we specify age limits in the brochure. However, exceptions are possible since children display different levels of maturity and ability. Please call if your child is interested in a

class but doesn't fit the printed age profile.

Flex Accounts: Receipts for dependent care documentation are available on request. Please contact IPSF with parent name, child's name, address, phone number and location of ACE class attended. 949-265-6411.

Class Confirmations: Notifications of class confirmations are done at this school via email.

Class Cancellations: We do our best to accommodate all students who sign up for ACE classes. In order to keep class fees as low as possible, we must set a minimum enrollment number for each class to cover the class expenses. If the minimum enrollment is not met, the ACE Program reserves the right to cancel the class and return all registration fees. You will be notified of any cancellations before the first scheduled day of class.

Transportation: Getting students to and from class is the responsibility of parents. In the first week of classes, ACE site monitors will attempt to locate registered students who are not present in their class. After that week, however, we expect that the students will know where they should go. If your child has difficulty remembering to go to class, you might want to escort him/her or contact another child in the class so your child has a "buddy" to provide a reminder

about class. him/her or contact another child in the class so your child has a "buddy" to provide a reminder about class.

ACE students must be picked up immediately after class. Arranging pick up is the responsibility of parents. The school staff, ACE instructors and ACE volunteer site monitors are not responsible for your child after class. After class dismissal there will be a five minutes grace period for pick-up. After that a \$1 per minute charge will be applied.

Snacks: Your child is always welcome to bring a personal snack. The program brochure will note if snack is provided. Please contact the school site coordinator immediately if your child has severe food allergies.

Conduct: Normal classroom conduct is expected of all ACE students and we generally have very few problems with the behavior of our students. Children displaying unacceptable behavior will be issued a one-time "Behavior Citation". If a second citation is necessary, the child will have to speak to the school principal and may be dismissed without refund.
